

The History of TOPSoccer

US Youth Soccer, the nation's largest youth sports organization, started TOPSoccer in 1991 to provide young players with disabilities an environment filled with meaningful learning, developmental and physical participation opportunities through the game of soccer. The volunteer TOPSoccer Committee, representing the 55 State Soccer Associations across the country, works to help players develop, compete, and achieve success according to their individual abilities. Through the efforts of people like you, a whole new world awaits these children. Reach out to bring them into our soccer family.

What is TOPSoccer?

TOPSoccer (The Outreach Program for Soccer) is a community-based soccer program that is designed to meet the needs of children with physical and/or mental disabilities.
