PERSONAL STATEMENT

Like many others, soccer has been an integral part of my life since a young age. I'm excited to share my passion and knowledge of the sport with young players to help develop their skills and continue their love for the game. By practicing and teaching players fundamentals, I believe it allows them to become confident in their abilities and play fearlessly on the pitch. In addition to developing individual talent, I also believe in players becoming good teammates, which is essential to the success of any team. Most importantly, I want to create an environment and atmosphere where players can be themselves and have fun!
